

Dear Colleague

FAMOA Incentive Scheme 2006/07

As a registered member of the FAMOA Incentive Scheme in order for you to start collecting points we enclose your logbook for this season. Please read this letter thoroughly before starting to complete your logbook. Please keep it as a reference guide to refer to throughout the season. The Incentive Scheme for this season is for the period 1 August 2006 — 31 July 2007 inclusive.

In the logbook you will see a number of sections as follows:

SECTION 1 — PERSONAL DETAILS

- This is for you to complete your own details (note, this section must be completed) and confirm you have registered with your County Football Association for this season. Please complete this section on receipt of your logbook. Should you lose your logbook if found it can then be returned to you.

SECTION 2- FITNESS

- If you attend and are successful in a fitness test below contributory level you are now able to include this within your logbook. The higher the level of fitness you demonstrate the more points you will receive. The points you can claim are given in the logbook. (Please note, the test must be taken between the 1st Aug 2006- 31st July 2007)

SECTION 3- MATCH DETAILS

- This section is for you to complete the games you officiate either as a referee, appointed assistant referee, fourth official or assessor.
- Please ensure that one of the clubs signs the final column to verify you officiating the game, prior to the game commencing. By getting the logbooks signed before the game this will avoid the need to get the logbook signed afterwards in case it is a difficult game. If the majority of signatures have not been obtained from either clubs or competition organisers we will be unable to process your claim later in the season.
- All games officiated in must be officially sanctioned competitions and leagues, not friendlies and only 11 a side football of all ages, genders and abilities will count.
- Remember the games covered by this scheme are only those at and below Supply League level.
- Do not rely on referees secretaries to sign your logbook at the end of the season. It is your responsibility to get your logbook signed before each game. (FAMOA will not contact referees secretaries on your behalf).
- If you have joined the scheme part way through the season it is your responsibility to get the games you have already done signed, if you officiate for the club/s again during the season you can get it signed

when you revisit them. If this is not likely please ask an official from the league, your regional manager or a county representative to sign your logbook for you.

- *The maximum number of games you can claim for is 60 in total, this can be made up of any combination of those as a referee, assistant referee, fourth official or assessor.*
- Enter all games into your logbook, games on separate pieces of paper will not be accepted.

No of Games	0 - 40	41 - 60	
Referee	20 Points	30 Points	
Assistant Referee	20 Points	30 Points	
Fourth Official	20 points	30 Points

SECTION 4— REFEREE RECRUITMENT

- This section is for you to confirm the details of any referees you recruit this season who have registered and completed 10 matches, and received their record of achievement.

Please complete each section accurately and retain the completed logbook with your points total until you receive your order form. The space in the logbook for each section is the maximum number of points you can claim for the section; additional claims on separate sheets will not be accepted.

Please note points earned cannot be carried over to next season and there will be a ceiling on the total points you can claim of 1500 for the season.
